

Instructions for Digital Signatures.

Simple. Secure. Digital.

1

Preparation

Please review the documents you received by email in advance. Have your ID ready, make sure you have a stable internet connection, and set aside about 5 minutes.

2

Start

Click the link in the email to go to the signature platform—either on your smartphone or on a computer with a webcam.

3

Online identification

Let us guide you step by step through the online identification process.

4

Documents & Signature

Review the contract documents and confirm their accuracy with a digital signature. The documents are thereby considered to be digitally signed.

5

Completion

Once the digital signature has been successfully completed, you will receive the digitally signed documents via email. The contract becomes effective as soon as BANK-now confirms its execution and the payout.
